Under the principle of compact prosecution, a telephone interview with the applicant's representative, Scott Thorpe (Reg. No. 54,491) was initiated by the examiner on December 10, 2006. Applicant is urged to rewrite the claim limitations based on his/her expertise so long as claim 1 will include different modules that perform different tasks at different devices. Also, other independent claims will be amended in a similar manner. The proposed amendment will accelerate prosecution by placing the application in condition for allowance. The period for reply is set to expire 30 days from the emailing date of this communication.
